

Chapter 14/15 Project Information

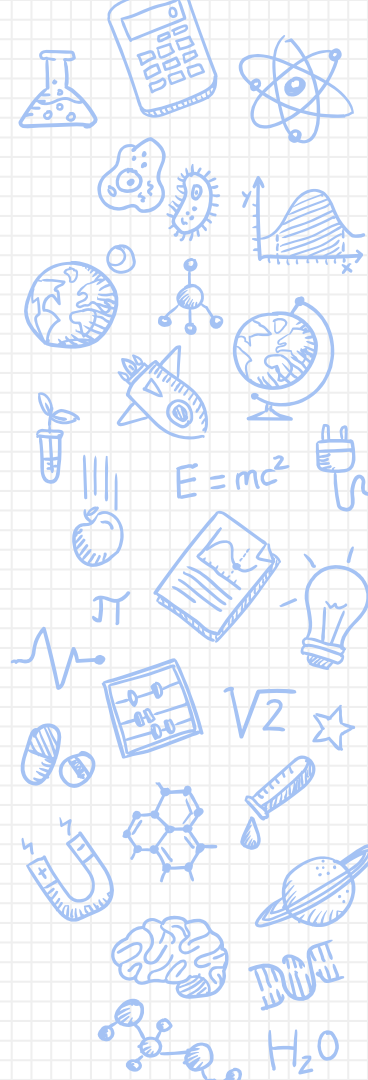

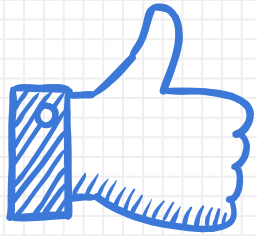

Learning Targets

- I can become an expert on my topic within the big topic of Energy by looking at data, models, and information.
- I can present my findings to the class using diagrams, pictures, and information to best explain my topic of study.

Requirements

- ✘ Research Outline **-INDEPENDENT OR PARTNER**
- ✘ Presentation **-POSTED IN ROOM, NO PRESENTATIONS IN FRONT OF CLASS**
- ✘ Class Jigsaw/Outline of Chapters **-INDEPENDENT DURING GALLERY WALK**

Tips and Tricks

- ✗ You will become an expert in 1 topic chosen from Chapter 14 or 15 individually or with your partner.
- ✗ You will collect the evidence on your graphic organizers provided to you in class before working on the presentations.
- ✗ Once finished with collecting your evidence, you will complete a slideshow presentation, song or comic strip together
- ✗ You are responsible for presentation work up evenly among your partnership
